Questions to ponder

Why do you exist?

What are you good at?

What is your vision for the world?

Your vision for your life?

What are the guiding themes by
which you make decisions?

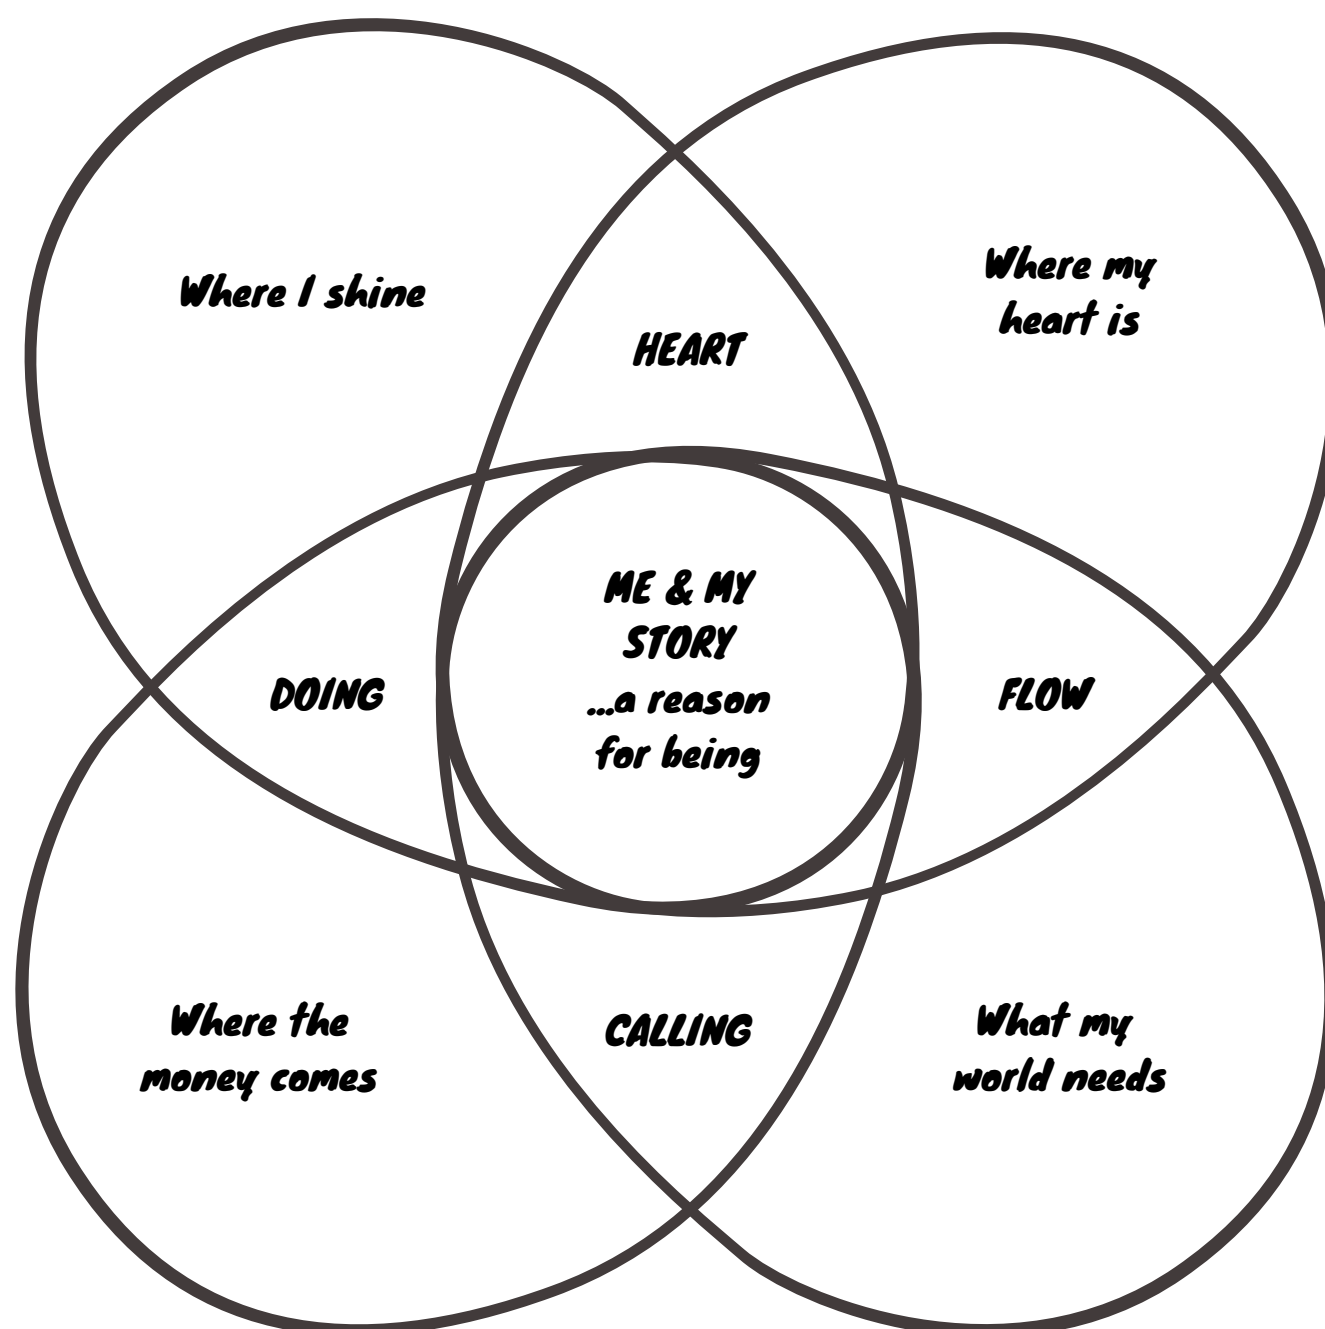

What do you want?

What makes you happy?

How will you be remembered
when you are gone?

What is success? Failure?

How will you know when you
have succeeded?

Don't know the answers?

This is why I created
Design to Me
